About

The Everything ECE PLC's meet by language groups for professional development and is designed exclusively for Family Child Care Educators.

Join the Everything ECE PLC English group!

The Everything ECE PLC (English) brings educators together to elevate early child care quality, expand professional knowledge, and build capacity—directly benefiting the children and families of San Francisco.

What can peer learning community groups do for you?

- **Exchange and receive resources with peers**
- **Discuss the successes and challenges of early childhood education programs.**
- **Understanding issues related to Quality Improvement goals**
- **Professional development hours, interpersonal communication, etc.!**
- **You will have the opportunity to showcase your expertise and learn alongside others!**

Registration:

Zoom link will be shared through the Wels Portal
